MILITARY RIFLE MATCH

21 MARCH 2026

ROBERT COLLINS – MATCH DIRECTOR

Perfect spring day to shoot WW2, Korean War, Vietnam era rifles along with modern military style rifles.

Brandon brought a rare 1940 Mk. 4 SMLE that was made by in the US by Savage Gun Company. It was stamped on the receiver “US Property Savage” and even retained the original Savage made detachable magazine! It was shipped to England under the “Lend Lease Act” and is in very good condition and there’s no doubt

it saw service in WW2. A true “War Horse” like this one is rare and it is great to see one being fired on the range and not just hanging in museums.

I’m thinking of renaming the Commercial Division the “Walls Division” as they dominated it with Will and Gabriel taking the top places in the adult class! Bravo Zulu!
