Steel Plate Duel

September 5, 2020 – Match
Director, Thad Bynum

Saturday Sept 5th we met to have another of our long awaited Steel plate duels. This week to change things up a bit we started with guns on

the table unloaded. During the rimfire portion of the match to start things off Dave Ochs called me out to shoot against me. As Dave is one of the better competitors, no one had an issue with me tangling (unsuccessfully) with him. We had 15 quality competitors that day and we all had a good time.

Full results and more photos [here](#).

The rimfire match was: 1st place Gene Cooley, 2nd was Dave Hickerson and 3rd was Josh Warman
The Centerfire was: 1st place Dave Hickerson, 2nd Jerome Schreiber and 3rd was Dave Ochs.
A good time was had by all!

Lever Action Silhouette

September 12, 2020 – Match Director, Joan Moody

So sad, the last Lever Action Silhouette match for 2020 was held on September 12th, due to the Covid19 shut down we were only able to have 4 of the 6 scheduled matches for this year. We all know 2020 was a totally

different time for all of us. I don't think anyone would have believed it, if they were told in December, that our country would come to almost a total standstill for months. For so many people it was a tragic time and our hearts go out to all that lost loved ones.

For others we just did what we had to and continued our lives the best we could. Many of us spent time at the range to improve our aim and strive to perfect our skill. Others, depending on where we live, were able to practice in our own backyards. For me, all I have to do is step out my back door. We still have many great matches left to participate in before the end of 2020. I hope you all will find some you will enjoy and take part in. [More photos and the match results here.](#)

We all hope 2021 will be a great one, and all the club matches and events will go on without any delays. For us that are still looking forward to another chance at get even with the metal critters, we can put the rifles away and bring out the pistols in November and December. Ed will host 2 Hunter's Pistol Silhouette matches. Hunter's Pistol is pretty much the same as Lever Action Silhouette with the exception we will be shooting pistols.

I know I will see many of you at other matches, but to any of you that I won't see until we start matches again next year, I wish you a joyous Holiday Season and a Happy New Year. Stay safe and keep shoot'n. *Joan*

Steel Plate Challenge

September 12, 2020 – Match Director, Steve Boatright

Smallbore Silhouette

September 26, 2020 – Match Director, Josh Warman

We had a smaller number than normal, due to several of our shooters were at other matches. The eight of us that were there enjoyed a nice day and a lot of fun. This was also the last Smallbore Silhouette match for the year, but we will be back to take up the challenge of the steel animals to stand up to the rounds we send their way in 2021.
