3-GUN SHOOTOUT

17 APRIL 2021

DAVE OCHS - MATCH DIRECTOR

CGC's April 3Gun was a beautiful day in the North Georgia mountains. Eleven shooters brought their blasters and a good attitude.

A surprise to everyone was the dreaded Texas Star. Some were not intimidated as they cleaned the swinging plates with shotgun instead of trying the more accurate shot placements with a pistol round. Also, a surprise were T-shirts covering the hit zone on our usually difficult IDPA silhouette targets for rifle.

Guests from S. Florida had a good time on their first ever 3gun course and found out that when the first shot is fired, most plans go right out the window.

Kudo's to Jerome Schreiber for thinking outside the box and coming up with the most creative way to shoot the course. He used his box magazine fed shotgun and his new pistol caliber carbine. Good job, Jerome.

BOWLING PIN MATCH

APRIL 3, 2021

MATCH DIRECTOR - KEITH MCMAHAN

We had a good day to shoot Bowling Pin. It was a little cool in the morning, but the rest of the day was nice. Not a lot of shooters but the ones that did how up all had a good time.

A couple of people cleaned the big table

with rimfire guns. Wayne smoked the centerfire class with his new tricked out C.Z. Hope to see more of yawl at the next match. There will be new tables so come out and help us shoot them up!

HUNTER PISTOL MATCH

27 MARCH 2021

JOSH WARMAN – MATCH DIRECTOR

The rain held off once again for another great Hunters Pistol match. We had 8 shooters show up.

Frank Ledford won Match winner in the rimfire match after a shoot off with Josh Warman, who then followed up 1st in AA class. Keith McMahan won 1st in B class.

In the centerfire match Frank Ledford won match winner. Josh Warman took first in A class. Wayne Chapman won 1st in B class and is on his way up in classes.

The next match will be on May 15th. The start time has been pushed back to 11am. Practice starts around 10. I hope to see y'all there.

THOUGHT FOR THE DAY:

Give a man a fish and he will eat for a day.

Teach a man to fish and he will go out and buy expensive fishing equipment, stupid-looking clothes, a sports utility vehicle, travel 1,000 miles to the "hottest" fishing hole, and stand waist deep in cold water just so he can outsmart a fish. (Average cost per fish: \$395.68)

When NASA first started sending up astronauts, they quickly discovered that ball-point pens would not work in 0 gravity.

To combat this problem, NASA scientists spent a decade and \$12 billion developing a pen that writes in zero gravity, upside down, underwater, on almost any surface including glass and at temperatures ranging from below freezing to over 300 C.

The Russians used a pencil.

RANGE WORK DAY

MARCH 6TH, 2021

Work day at the range, thanks to all that came out to help. Keith McMahan, Josh Warman, Dave Ochs, Bill Christine, Barry Dean, Gary Caines, Richard Kermode, John Rides, Tom Hamasz, Drew Sims and anyone we missed.

Please respect the work of others!

DON'T be an IDIOT! DON'T shoot at the hand rails!
The same for the distance marker, they are **NOT** targets!

Thanks to a donation from Jim Hancock, we now have 10 comfortable chairs at the range.

Many years ago in Scotland, a new game was invented.

It was ruled 'Gentlemen Only.. Ladies Forbidden'.. and thus, the word GOLF entered the English language.

LEVER ACTION SILHOUETTE

April 10, 2021

Joan Moody, Match Director

The morning started out cloudy and then the rain started. It went from light to harder off and on all during the match. So along with the wind on occasion, it was a good day for ducks. Unfortunately, we don't shoot at ducks. We did have our usual chickens, pigs, turkeys, and rams. None of them were swimming but even standing still they were still a challenge to knock off their feet. We did have shooters do well and we gave out 6 pins for hitting 5 targets in a row and 2 pins for taking out 10 targets in a row.

As always, we invite all to come out and join us, to see the details of what guns you can use, click below.

SMALLBORE RIFLE SILHOUETTE

April 24, 2021

Carol Rosenqvist – Match Director

This year's Smallbore Rifle Silhouette Match started off on a very wet note.

On Saturday April 24th, the first Smallbore Rifle Silhouette Match of the year was held.

Eight shooters braved the heavy rains and wind to try their best at tackling the "little steel animals."

With new score cards, new wind flags (what a workout they had) and new mats on the firing points to rest the rifles on, everyone was ready for a challenging day. (including 2 new silhouette shooters)

Here are the results for

Standard Rifle:

Match Winner; Josh Warman

1st A; Joan Moody

1st B; Ella Chesney

Here are the results for

Hunting Rifle:

MATCH Winner; Josh Warman

1st AA; Keith McMahan

1st B; Peter Chesney.

The Match Director did not shoot the Match for fear of

melting if she ran out in the rain to set up the animals.

Thank you to Josh Warman and Bill Christine for setting up the range.
